Construction to begin on US Highway 83 from Hazelton to Linton

Construction will begin tomorrow, August 29, on US Highway 83 from the Junction of ND Highway 34 in Hazelton to the south junction of ND Highway 13 in Linton. Work will consist of placement of a seal coat to preserve the new asphalt.

During construction:

- Motorists may experience brief delays
- An 18-foot width restriction will be in place in the work zone
- Speeds may be reduced
- Flaggers and pilot cars will be present

This project is expected to be completed in mid-September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
